Title	“Plantation”
Date	10/8/2019
Venue	Sanskriti College
Organized by	NSS & Student Development Cell
Faculty Coordinator	Mr. Ankit Sharma
No. of Students Enrolled	60
Event Summary	Plantation activity took place in college with great enthusiasm. The plantation was a common practice in the past, particularly in tropical and subtropical regions. It involved the large-scale cultivation of crops and trees for commercial purposes, often under harsh working conditions. Despite its widespread use, plantation agriculture faced criticism for its negative impact on the environment and local communities. Today, there is a greater focus on promoting sustainable plantation agriculture to reduce its negative impact and promote a more environmentally friendly approach to agriculture..
